Dobrodošli na 60. mednarodni regati na Blejskem jezeru, ki je bilo prvič prizorišče veslaškega tekmovanja že v času avstro-ogrškega cesarstva pred sto desetimi leti. Regate so predstavljale obvezen del poletnega dogajanja tudi v dvajsetih in tridesetih letih, ko je bil Bled mondena rezidenca jugoslovanske kraljeve družine. Niti hladna vojna v času Titovega režima ni mogla preprečiti, da se na našem jezeru ne bi ponovno organizirali veslači. Kljub vsem tedanjim oviram v mednarodnem prometu so uspešno privabljali sebi enake iz sosednjih dežel, da bi njimi pomerili na Blejskem jezeru. Uspehi domačih tekmovalcev so Bledu pripomogli pridobiti kar tri svetovna prvenstva še pred

slovensko osamosvojitvijo leta 1991, s ponosom pa smo leta 2011 organizirali še četrto.

Različne države so sledile druga drugi, a domače predanosti veslanju in zaljubljenosti veslaškega sveta v Bled, ni mogla zavreti nobena. Najboljši dokaz za to je že šestdeseta mednarodna regata, ki ji bodo sledile še mnoge!

Janez Fajfar,  
župan občine Bled

*Welcome to the 60<sup>th</sup> International Regatta on Lake Bled, that saw the first rowing competition already one hundred and ten years ago, when it was a part of the Austro-Hungarian Empire. Rowing regattas continued to be an inevitable in the summer happening in Bled during the joyful twenties and thirties, when the Yugoslav Royal Family used the place for their fashionable summer residence. Even the time of the Cold War during the Tito's regime couldn't prevent the rowers to get organized again. In spite of all obstacles in international travel they kept inviting equals to them from the neighbouring countries to compete together on Lake Bled. Great successes of our rowers helped a lot to get three world championships to Bled before the Slovene independence in 1991 and we were very proud to have organized the fourth in 2011.*

*Different states followed each other in Bled, but none of them could deprive the local people of their devotion to the rowing sport and prevent the international rowing world to return to Bled over and over again. The best proof for it is the sixtieth international regatta and there are many to follow.*

Janez Fajfar,  
Mayor of Bled

Spoštovani prijatelji veslanja!

Vsako leto me navdušuje dejstvo, da Mednarodna regata na Bledu privabi številne veslače iz mnogih držav. Povečevanje številčnosti udeležencev in s tem tudi več vrhunskih tekmovalnih rezultatov je izjemnega pomena za organizatorje regate in VZS. S tem želimo tudi dodatno spodbuditi dolgoročneje povečanje števila aktivnih veslačev v Sloveniji in razširiti splošno prepoznavnost ter priljubljenost veslanja. Iskreno tudi verjamem, da veslaški šport s svojimi vrednotami - sodelovanjem, vztrajnostjo, odličnostjo, strpnostjo, odločenostjo in samodisciplino, lahko vsakomur pokaže pravo pot pri doseganju osebnih in poslovnih ciljev. Zato v lastnem imenu in imenu VZS še posebej toplo pozdravljam vse povabljene goste in vse gledalce Mednarodne veslaške regate, saj bomo skupaj najbolje spodbujali tekmovalce k odličnim nastopom na letošnji izvedbi regate.

S spoštovanjem.

*Dear Rowing Friends!*

*Once again I am delighted that Bled International Regatta has attracted large number of athletes from many countries. One of the main goals of our Federation is increasing the number of competitors, as this produces more top results. Following this goal we want to additionally encourage long-term increase of number of active rowers in Slovenia and increase general popularity of our sport. I believe that rowing, through its core values: cooperation, endurance, perfectness, tolerance, determination and self-discipline, can help anyone choosing the right path in achieving personal and professional goals. On my behalf and on behalf of Rowing Federation of Slovenia I am expressing special warm welcome to all the invited guests and all the spectators as well. Together we can more efficiently encourage the athletes to top performances at the 2015 regatta.*

*Yours sincerely,*

Jošt Dolničar

Prva do sedaj znana regata na Blejskem jezeru se je odvijala leta 1905. Ta dogodek lahko štejejo kot zametek športne panoge, ki je v najlepši možni luči ponesla ime Bleda v svet. Prva mednarodna regata je bila leta 1950. Glede na odlično organizacijo tekmovanj in glede na to, da je blejska proga ena najlepših in najbolj poštenih prog na svetu, si je priborila stalno mesto na seznamu mednarodnih regat, ki so pod okriljem FISA. Od leta 1950 se prirejajo mednarodne regate vsako leto, razen ob organizaciji velikih tekmovanj (svetovna prvenstva: 1966, 1979, 1989, evropsko prvenstvo: 1956, svetovno mladinsko prvenstvo: 1971, svetovno prvenstvo veteranov: 1986, 1995). Leta 2012 se je z mladinskim evropskim prvenstvom uspešno zaključil niz treh velikih veslaških dogodkov, ki se je začel leta 2010 s svetovnim pokalom in nadaljeval

leta 2011 s svetovnim prvenstvom v veslanju. Letos mo gostili prvo tekmo svetovnega pokala in mednarodno regato. Veselimo pa se že leta 2017, ko bo Bled že tretjič organiziral svetovno veteransko prvenstvo. Velika tekmovanja so odličen promotor blejske veslaške proge, na kateri vsako leto na mednarodni regati tekmujejo veslači iz do petnajst, povečini srednjeevropskih držav.

Vsem udeležencem 60. Mednarodne regate želim čim boljše tekmovalne pogoje na jezeru in prijetno bivanje na Bledu z upanjem na ponovno snidenje prihodnje leto.

dr. Peter Fajfar

Predsednik organizacijskega odbora

*The first official regatta on Lake Bled took place in 1905. This event can be considered as the very beginning of the sport which promoted Bled and its surroundings in the best possible light in the world. The first international regatta in Bled happened already in 1950. Due to the excellent organization of the competitions and the fact that Lake Bled rowing lane is one of the most attractive and the fairest in the world, the international regatta in Bled gained a firm place on the list of international regattas under the auspices of FISA. Since 1950, the international regatta has taken place every year, with the exception of the years when Bled hosted important rowing championships (World Rowing Championships in 1966, 1979 and 1989; European Rowing Championships in 1956; World Rowing Junior Championships in 1971, World Rowing Masters Regatta in 1986 and 1995). With the European Rowing Junior Championships, which were carried out together with the last year's international regatta, the series of three important rowing events that started with 2010 World Rowing Cup and continued with 2011 World Rowing Championships was successfully finished. Our aim is to bring top-level rowing events to Bled also in the future. Already next year, the first race of the World Rowing Cup will take place on Lake Bled. We are also looking forward to year 2017 when Bled will host for the third time World Rowing Masters Regatta.*

*I would like to wish a successful competition and a nice stay to all participant of 60<sup>th</sup> International regatta. I am looking forward to seeing you all here again next year.*

## MEMORIAL SAŠA MIRJANIČA

Vsakoletna tekma četvercev na blejski mednarodni regati je posvečena spomina na tragično preminulega dolgoletnega člana Veslaškega kluba Bled. Letošnja memorialna tekma, ki je že petnajsta po vrsti, bo na sporedu v nedelja, 13. junija.

Sašo je bil od leta 1985 stalni član jugoslovanskih oziroma slovenskih reprezentanc. V letu 1986 je v Račicah osvojil naslov svetovnega mladinskega prvaka v dvojcu. Že leta 1988 je nastopil na Olimpijskih igrah v Seulu in tam v dvojcu s krmarjem osvojil osmo mesto. Na Svetovnem prvenstvu na Bledu leta 1989 se je v četvercu s krmarjem uvrstil na šesto, v isti disciplini pa leta 1990 na Tasmaniji na peto mesto. Leta 1992 je bil član nove slovenske reprezentance, ki je prvič samostojno nastopila na Olimpijskih igrah. Sijajni finale v Barceloni je slovenskemu četvercu, katerega član je

bil Sašo, prinesel bronasto olimpijsko medaljo. Na svojem zadnjem svetovnem prvenstvu leta 1994 v Indianopolisu je v četvercu osvojil četrto mesto.

Poleg vseh teh uspehov na svetovnih prvenstvih in olimpijskih igrah je nastopal in osvajal medalje na mnogih mednarodnih tekmovanjih in državnih prvenstvih. Poleg njegovih športnih uspehov pa ga ohranjamo v spominu predvsem kot dobrega človeka, vedno nasmejanega in pripravljenega pomagati.

## SAŠO MIRJANIČ MEMORIAL RACE

*Since 1995 the race of fours on Bled International Regatta has been dedicated to remembrance of Sašo Mirjanič, tragically died long time member of Rowing Club Bled. This year's regatta is scheduled for Sunday's finals.*

*Sašo had been member of National Teams of Yugoslavia and Slovenia since 1985. In 1986 in Racice he became world junior champion in pair and this was a beginning of a great sports career. In 1988 he already participated on Olympic Games in Seoul and came eight in coxed pair. In 1989 he came seventh on home ground at Bled world championships and in 1990 fifth at the WCH on Tasmania, both in coxed four. On the 1992 Olympic Games in Barcelona for the first time Slovenia participated as an independent state. Sašo and his crew colleagues in coxless four won bronze medal and celebrated this event in a great way. At his last appearance at the world championship in 1994 in Indianapolis he came fourth in a coxless four.*

*Success on the international level kept Sašo on ground. He will always be remembered as a great athlete, but most of all as a great person, always in a good will and ready to help.*
